Facts

- 1993, when Mr. Slobodan Sindelić started his own business as an entrepreneur in the retail sector
- In the very beginning Argos company distributed beverages. First contracts were signed with Apatin Brewery, Belgrade Beer Industry and Coca Cola office in Belgrade
- In 2004, Coca Cola awarded Argos company with the prestigious Partner of the Year award
- Today Argos has 120 employees, two distribution centers in Belgrade and Lazarevac, as well as 13 retail stores across Serbia.

- Distribution center in Lazarevac has a storage area of 2500 square meters, 4000 square meters of manipulativespace in addition to all the necessary infrastructure and machinery for a smooth flow of goods in both directions. The distribution center in Lazarevac serves TT (Traditional Trade) channel, HoReCa sector and Argos retail stores.
- Distribution center inBelgrade began its work in 2007. It specializes in supplying the HoReCa sector, but soon after its opening it also started receiving a large number of customers from the TT channel who recognized great service, excellent payment terms, and last but not least, very competitive prices. Belgrade distribution center has 1,000 square meters of storage space and 150 square meters of office and administrative space.

- The company owns 4 trucks with a capacity of up to 10 tons, 7 trucks with a capacity of up to 5 tons, 7 vans with a capacity of up to 2 tons, 8 delivery cars and 4 forklifts.
- Our company is a reliable partner, whose solvency and liquidity certainly testify to this. The company has occupied a leading position on the market as it is evidenced by the stable balance sheet, good credit and reputation with customers, suppliers and banks.
- Social responsibility of our company lies in the quality of our services, continuous staff development, environmental protection and the development of relations with the community. We are also proud of great references we received from various stakeholders of the company.
