Belgian investors belong to significant regional employers and leave an important economic footprint in the Slovak economy. Companies such as Alro, Aspel, Bekaert, Carmeuse, KBC, LVD, Plastiflex, Punch Corporation, Team Industries, together with numerous SMEs already established their branches in Slovakia.

A variety of key economic and legal aspects such as common EURO currency, regional leadership in the productivity and positive macroeconomic development make Slovakia the top investment destination and business partner.

Explore the benefits of doing business in Slovakia and hear about success stories of Belgian companies already present in Slovakia.
