

**Dear Beer Friends,**

Join us at the **5th anniversary of the Prague Beer Festival**, Friday, 31 March - Sunday, 1 April, 12pm to midnight at the Prague Market Hall in Holešovice- Hall 13 and the surrounding area.

**More than 30 breweries** will be participating this year and with a spotlight on foreign brewers. We already have 10 breweries from 8 European countries scheduled to participate. We will publish the list of breweries gradually as we finalize the roster.

You will be able to sample **more than 150 types of draught beers** as well as a wide variety of offerings in bottles and cans.

The festival will include **workshops, lectures, and tastings** organized by local and international brewers alike. A delicious selection of food will also be available on location.

How to get there: Metro C, Station Vltavská. Take stop Pražska tržnice. Follow signs in the market area to find the festival.

cheers!
