CIRCULAR & INNOVATIVE PUBLIC PROCUREMENT

High-level host speakers:

- Jacqueline CRAMER, professor and expert in creating circular networks
- Joan PRUMMEL, international consultant for circular public procurement

The aim of this inspirational & match-making webinar is to share examples of good practices in the field of circular public procurement from Dutch relevant actors. Circularity in public procurement has an increasing importance not just regarding the European Green Deal but also as a tool to promote circular economy as a response to the current global crisis.

Date: May 12th (2-3:30 pm)

The event will be held with participation of the Ministry of Environment, the Ministry of Industry and Trade, the Ministry of Labour and Social Affairs and the Ministry of Regional Development.

Do you want to be among the speakers and present your circular solution or practical experience? Register by April 30. Registrations for participants are open until May 11.
