# LOOKING FOR A COMMERCIAL PARTNER IN CENTRAL ASIA?

Central Asia has untapped potential and offers a range of opportunities for U.S. and foreign investors and entrepreneurs to expand their customer base, product distribution lines and brand recognition.

The International Franchise and Trade Expo is organized by the Business Association JIA in collaboration with the U.S. Embassy in Bishkek. Followed by the Bishkek Investment Forum, these two days of events provide a comprehensive platform for foreign investors and entrepreneurs to interact with up to 1200 Central Asian entrepreneurs and business leaders.

Admission to both events for international companies is free of charge.

Two days of events held in the most comprehensive platform for foreign entrepreneurs and investors in Central Asia in recent history.
