HIRING AFRICAN TALENTS

## WEBINAR: Unlocking talents for an economic relaunch

June 24<sup>th</sup> 2020

14.00 - 15.15

IOM Belgium and Luxembourg is delighted to invite you to the second information session dedicated to the MATCH project taking place on Wednesday 24th of June from 14.00 - 15.15.

This session will present a detailed overview of the current economic trends and the importance of unlocking new talents in order to prepare for the economic relaunch. Speakers will outline how the MATCH project can help companies recover faster and increase their economic resilience by enabling them to attract new skills and recruit profiles that are not available on the domestic market.

**[RSVP by filling in the form at this link](#)**

**Please note that this webinar will prioritize the participation of representatives of private sector companies**
