Congress program

Tuesday, September 10, 2019.

- 9:00–10:00 Registration of participants
- 10:00–18:00 K-Expo exhibition
- 10.00-11.30 Round table meeting "Prospects for composite materials using: the Arctic, oil and gas production, maining industry, import substitution and high-tech"
- 11.00-17.00 Visiting ships in the exhibition on the water. Water area of Lenexpo
- 11:30–13:30 Plenary session "Innovative composite materials - the practice and the basis of the industry and the urban environment of the future"
- 13:30–14:00 *Coffee-break*
- 14:00–15:00 Round table meeting "International and interregional partnership, clustering and cooperation: the main factors for the successful development of the composite industry"
- 14:00–15:30 Round table meeting «Basalt composites: raw materials, basic types of products and application »
- 15:00–15:30 Presentation session
- 15:30–17:00 Panel discussion "Creating an interregional interdisciplinary innovative scientific and technological center - - Russian technological valleys»
- 16:00–17:30 Round table meeting « Wood-polymer composites: raw material base, technologies, equipment, types of products, properties and applications»

Wednesday, 11 September 2019

- 9:00–10:00 Registration of participants
- 10:00–18:00 K-Expo exhibition

10–12 SEPTEMBER 2019

St. Petersburg, V. O., Bolshoy PR., 103, Pavilion 4, Lenexpo

- 10.00-11.30 Round table meeting «Composites in construction, transport infrastructure and urban economy»
- 11.00-17.00 Visiting ships in the exhibition on the water. Water area of Lenexpo
- 11:30–12:00 Presentation session
- 12.00-13.30 Panel discussion «Experience and prospects of composite shipbuilding. Barriers and achievements»
- 13:30–14:00 *Coffee-break*
- 14.00-15.30 Seminar «The best available technologies as a factor in the innovation of the composite industry and increasing the competitiveness of product. Modern requirements of environmental policy»
- 14.00-18.00 Parade of projects: competition for the best projects in the composite industry. Preliminary evaluation of the competition entries
- 16.00-18.00 Round table meeting «Export and investment potential of Russian manufacturers of composite materials and products. State Support»

Thursday, 12 September 2019

- 9:00–10:00 Registration of participants
- 10:00–16:00 K-Expo exhibition
- 10.00-11.30 Panel session «The best available technologies as a factor in the innovation of the composite industry and increasing the competitiveness of product. Modern requirements of environmental policy»
- 11:30–12:00 Presentation session
- 12.00-13.30 Round table meeting «Research, composite chemistry and production technologies: problems and prospects»
- 13:30–14:00 *Coffee-break*
- 14.00-15.30 Seminar «The use of composite materials and products in transport and Railways. Investments and prospects»
- 15.30-16.30 Parade of projects: competition for the best projects in the composite industry
