

Capability Statement

Maden Tech Consulting, Inc. doing business as Maden Technologies. Founded 1986 in the State of Delaware with headquarters in Arlington, Virginia we are an award-winning, *U.S. Department of Veterans Affairs – certified Service-Disabled Veteran-Owned Small Business (SDVOSB)*. Our key strategic focus is to serve as an integrated single “Point of Contact Solution Provider” as follows:

✓	Disaster Relief	✓	Emergency Remediation	✓	Environmental Remediation	✓	Healthcare Services
✓	Construction Management	✓	Community Outreach	✓	Communication Systems	✓	Logistics Support

Organizational Details: DUNS Number 161162912 Cage: 77930

Certifications: GSA certified for HSPD12 SIN 132-62 System Integration Services and Products

NAICS Codes: Primary – 541330 Engineering Services – Overall 53 NAICS Codes. 238210 Electrical Contractors and Other Wiring Installation Contractors. 541620 Environmental Consulting Services. 561210 Facilities Support Services. 562910 Remediation Services

What Sets Us Apart: Our “PUEBLO” (Plan of Unified Emergency Benefits for Localities and Organizations) Program was established in 2017 to deliver modular disaster relief state-of-the-art solutions structured to a client’s unique needs. PUEBLO is based on Maden Technologies’ past performance to address:

- a. Integrated Program Management – specialized services tailored to the client’s needs/mission.
- b. Environmental Remediation – NEPA compliance.
- c. Construction Management and Code and Standards Compliance.
- d. Local and Federal Infrastructure Restoration including Carbon Neutral Solutions.
- e. Disaster Relief, f. Telecommunications and g. Public Outreach.

Our Prime Contract Vehicles Platform: Offering a Portfolio of Flexible Pricing Options.
